Sanction an estimate for Rs 330/- for the above Works and requests that the amount may be sanctioned from the State Grant as the institution has no funds at its Credit.

Towards the cost of the Estimate originally sanctioned in 1895, the devotees interested contributed a sum of Rs 100. After that they are stated to have been maintaining the institution in good order out of their own funds. The present Estimate for Rs 330 may, as recommended by the Dy Commr, be sanctioned from the State Grant. We have about Rs. 400/- available.

MYSORE GOVERNMENT
MUZRAI SECRETARIAT

Sir,

I have the honor to state that the Jumma Masjid at Chitaldrug is a beautiful structure and an important Mahomedan institution at Chitaldrug. In their Order No 1132-3 / Muz 7 42-94 dated 12.6.1895, Government sanctioned an estimate for Rs 497/ for the repairs of this building, of which Rs 100 was contributed by the devotees for the purpose and Rs 397/— sanctioned from the State grant of that year. The available references show that Rs 442-11-9 only were spent in all and the balance was allowed to lapse although the building needed flooring work &c. Ever since then no repairs, except white-washing and other sundry repairs which are being done by the Musalman devotees have been done to this building. The flooring of the front-yard where the Mahomedans congregate for prayers

is very badly cut up and it seems very desirable to have it with buddapah slab so that frequent repairs may be avoided There is no proper latrine to the building and the one that is now in use, is ill-located and clumsy. To provide a decent and moveable latrine is therefore considered very necessary. For these urgent works, I herewith submit for favorable early sanction an estimate for Rs 330 /- and as the Institution has no funds of its own, I request that the amount may be allotted from the State grant.

I have the honor to be
Sir
your most obedient servant
